LR 32

SENATOR HANNIBAL: You foresee no expansion in the future for this to become a public park that would require larger amounts of General Fund expenditure?

SENATOR RUPP: None. None whatsoever. Now, there will be one coming up in the near future that will have some capital construction, but the funding sources for that will be outlined very clearly at the outset, I assure you.

SENATOR REMMERS: Mr. President and members of the Legislature, I simply want to endorse Senator Rupp's comments. I would encourage you to accept the tract of land for the parks department.
